Grand Bethel of Maryland

The purpose of the Grand Bethel is to promote the interest, welfare and growth of the Job's Daughters International. When requested, the members are to render whatever assistance to the Bethels in the state. Members should encourage all Daughters to learn the ritual, be regular in attendance, and live in accordance with the teachings of Job's Daughters.

The Grand Bethel of Maryland is a "working" Grand Bethel. We meet once a month to discuss business. After these meetings we socialize with meals and activities. The members of our Grand Bethel grow together like one does in a regular Bethel. We have become a family, and we are always happy to welcome all those who are interested!
